

GLOBAL PARTNERSHIPS RESEARCH PROGRAM 2023

Letter of Intent (LOI) Form

1. Administrative Information		
Title of Project:		
Principal Investigator:		
Name	E-mail	Institution
Co-Investigators:		
Name	E-mail	Institution
Name	E-mail	Institution
Name	E-mail	Institution
Name	E-mail	Institution
Name	E-mail	Institution
Name	E-mail	Institution
Collaborators:		
Name	E-mail	Institution
Name	E-mail	Institution
Name	E-mail	Institution
Name	E-mail	Institution
Name	E-mail	Institution
Name	E-mail	Institution
Name	E-mail	Institution
2. Research Area(s) of Focus: indicate the research area of focus to which the project best aligns. Select one primary choice and one secondary choice (if applicable).		
Primary: <input type="checkbox"/> Hearing Health <input type="checkbox"/> Hearing Science <input type="checkbox"/> Deaf Studies <input type="checkbox"/> Quality of Life		
Secondary: <input type="checkbox"/> Hearing Health <input type="checkbox"/> Hearing Science <input type="checkbox"/> Deaf Studies <input type="checkbox"/> Quality of Life		
3. Keywords: include up to ten keywords (or short phrases) that suggest the topic and research methodology of the project. Keywords are used for FA reviewer assignment purposes.		

4. Estimated Budget: (budget details are not required for the LOI and totals may be revised in the Full Application phase)

Year 1

Year 2

5. Potential Reviewers:

Name	E-mail	Institution
Name	E-mail	Institution
Name	E-mail	Institution

6. Lay Summary: (max 250 words).

The lay summary should address the following points:

- What is the research question?
- Why is it being asked?
- What are the research expectations
- Why do the findings matter?
- How will the findings be used?

7. Project Synopsis:

Describe the project succinctly, in 1000 words or less, including:

- background, rationale, and objectives
- how the project will advance current knowledge
- how the project aligns with the selected Research Area(s) of Focus
- major activities to be undertaken and methodology to be utilized
- specific outcomes to be achieved and expected impact for the Deaf and hard of hearing communities
